KARNATAKA STATE
CONFERENCE
IAPSM-KARCON
2026

INVITATION

Warm greetings from the Department of Community Medicine, Sri Siddhartha Medical College, Agalakote, Tumkur. We are pleased to invite you to the 6th Karnataka State Conference of the Indian Association of Preventive and Social Medicine to be hosted at our institution. The conference theme, "Arogya Parampare – Lifecourse and Community Health Across Generations" with the tagline "Womb to Tomb - Public Health for All," highlights comprehensive and inclusive public health across all stages of life. This event will offer a valuable platform for academicians, public health professionals, researchers, and students to share knowledge, exchange ideas, and strengthen collaborations. We look forward to your esteemed presence and active participation.

ORGANISING DEPARTMENT

The Department of Community Medicine at Sri Siddhartha Medical College is committed to nurturing socially responsive, ethically grounded, and clinically competent doctors with a strong foundation in public health. The department emphasizes holistic understanding of health and disease across physical, social, psychological, economic, and environmental dimensions. Through integrated teaching, field-based training, and community engagement, students develop skills in epidemiology, disease prevention and control, maternal and child health, nutrition, occupational and environmental health, health management, biostatistics, communication, leadership, and ethics. The department strives to shape future physicians as compassionate caregivers, effective team leaders, and lifelong learners dedicated to advancing population health and achieving "Health for All."

INVITATION

IAPSM KARCON 2026

6th Karnataka State Chapter Conference

Sri Siddhartha Medical College, Agalakovote, Tumkur, a constituent institution of Sri Siddhartha Academy of Higher Education (SSAHE), stands as a center of excellence committed to “entrancing education to reach the unreached.” Guided by the motto “Sabbe Loko Hitatthaya” (Let all be happy and prosperous), the college envisions empowering medical aspirants with the highest standards of education and futuristic knowledge that meaningfully improves the quality of human life. The institution provides a congenial and student-centered learning environment that nurtures curiosity, creativity, and professional growth. It is dedicated to delivering high-quality medical education that prepares students to become competent, compassionate, and socially responsive physicians capable of addressing the evolving

health needs of society. With strong emphasis on research, innovation, and community-oriented public service, the college actively promotes scholarly inquiry and evidence-based practice. Equal importance is given to ethical values, moral responsibility, and service to humanity, ensuring that graduates emerge not only as skilled clinicians but also as responsible citizens of the world. Sri Siddhartha Medical College is also deeply committed to providing state-of-the-art healthcare services to rural and under-served populations, thereby bridging gaps in access and equity. Through continuous institutional development and capacity building, the college strives to uphold excellence in medical education, healthcare delivery, and community service.
