

The Department of Community Medicine, MVJ Medical College & Research Hospital in Association with IAPSM-KSC and KSAPS successfully conducted CME on “The Missed Opportunity: HIV – Seeing the Unseen, Linking the Lost” today.

The first of its kind CME for MAS Initiative under NACO in India.

The CME was inaugurated by Sri M. J. Mohan, Chairman, MVJ Medical College & Research Hospital.

From IAPSM- KSC President Dr. Sunil D R represented the association and presented a scientific session.

Dr. Hamsa L . Joint Secretary also attended the CME.

The programme witnessed around 223 registered enthusiastic participation from faculty members and postgraduate students of the Departments of Community Medicine, Paediatrics, Obstetrics & Gynaecology, and General Medicine.

The scientific sessions covered key aspects including early recognition of HIV, Provider-Initiated Testing and Counselling (PITC), PPTCT and paediatric HIV, syndromic management of sexually transmitted infections, ART linkage, PrEP, PEP, and institutional action plans under the National AIDS Control Programme. The interactive discussions, pre- and post-CME quizzes, and expert deliberations made the programme highly informative and relevant to clinical practice, reinforcing the need for coordinated efforts to identify missed opportunities and improve HIV care and linkage services.

And on Institutional action plans for Medical Colleges under MAS initiatives. The programme was highly appreciated by the participants.
